

## Membership Application Form

Thank you for your interest in the Miami Christian Chamber of Commerce (MCCC). Please complete the following application to initiate your one year membership. Shortly following receipt, your information will be posted on the Chamber website ([www.miamiccc.org](http://www.miamiccc.org)) using the information provided below.

The Miami Christian Chamber of Commerce is first and foremost a chamber consisting of Christian business representatives, who agree to, believe in, and desire to adhere to the core values of the Christian faith. These values are what help differentiate the MCCC from other community business chambers to help build trust and business relationships among and between members. Each applicant of the MCCC should agree to apply the following principles in their day-to-day business conduct to be considered for and to maintain good standing as a Chamber member.

1. **Biblical Business Standards:** We value conducting business activities in a manner which is excellent and above reproach. This includes but is not limited to the fair and honorable treatment of employees (James 5:4), honesty in all transactions and communications (Colossians 3:9), maintaining a good testimony to those inside and outside the body of Christ (1 Timothy 3:7), adherence with laws (Romans 13:1-3) and tax requirements (Romans 13:7) .
2. **Client Treatment:** We value the provision of goods and/or services which meet or exceed marketplace expectations for quality and excellence, at a fair and competitive price.
3. **Business Promotion:** We value promoting and encouraging business relationships among and between members of the spiritual body of Christ.
4. **Giving:** We value biblical principles of stewardship, particularly giving financial and in-kind contributions to the local church, to local ministries, and to one another.
5. **Work-Faith Integration:** We value the integration of faith in all spheres of life, including the marketplace.
6. **Accountability:** We value members holding of one another accountable for the application of these and other biblically centered values.

As a chamber member, I recognize and agree to conduct business according to the biblically based values listed above and to be accountable to others in this effort. I also recognize that maintaining a membership which is in good standing is partially contingent upon adherence to the values described above.
